CHAIRMAN'S INFORMATION REQUEST NO. 1

(Issued May 29, 2020)

The Postal Service is requested to provide written responses to the following questions. The responses are due no later than June 5, 2020.

1. Please confirm that, as of July 1, 2020, the costs of providing contract services for GEPS—Non-Published Rates (NPR) 14 agreements will differ from the costs projected in the Postal Service's cost models for this docket as a result of the change to self-declared rates and the Postal Service's filings in Docket No. CP2020-141. If confirmed, please provide an estimate of the expected change in costs of providing contract services for GEPS—NPR 14 agreements. If not confirmed, please explain.
2. Please confirm that the Postal Service will activate the "Postage Update" provision in article 15 of the GEPS—NPR 14 agreements in the event that costs rise more than the specified amount. If confirmed, please specify the Postal Service's expected timeline for sending the required notices to the contract partners.

3. Please confirm that the Postal Service intends to discontinue filing new GEPS—NPR 14 agreements. If not confirmed, please confirm that the Postal Service intends to file a modification to update the cost model prior to filing new GEPS—NPR 14 agreements.

By the Chairman.
